belbien provides fire-safety-certified, self-adhesive decorative films with excellent design quality, durability, and water resistance. With a rich variety of 538 patterns, belbien products have been used since 1980 in a variety of applications around the world, ranging from interior and exterior design of buildings to fittings, furniture, sign boards, vehicles, and vessels.

01

**Fireproofing Certification for All belbiens**

\*Certified on metal substrate (except aluminium)

02

**All belbien Items are approved by Environmental Regulation "F-4 Stars"**  
(Requirement in Japan Market)

03

**Anti Fungus Function is applied for All belbiens**

04

**Easy Maintenance with the special surface treatment**

All belbien are able to clean with a light neutral detergent.

05

**Excellent Workability for Three Dimensional Shaped Form**

\*Please refer to belbien technical Book P-13 "Flexibility and Conformability".

06

**All Items / Colors are in Stock**

Weatherability and Stain Resistant PVC Wall Covering

## More Than 30 Years in Market - belbien EX

As the flagship of our functional product line, belbien EX contributes to a number of indoor/outdoor projects. The durability/weatherability of belbien EX prevents it from having discoloration, stains and other contaminants. The surface treatment of belbien EX contributes to easy maintenance, and keep the appearance over a long duration - beyond our expectation in some projects. Most of outdoor/exterior facilities - exterior walls, ceilings/roofs, louvers, signages and other places exposed to outdoor, also indoor facilities but required chemical/stain resistance - front door, elevator and other similar facilities, belbien EX offers the function to meet with those requirements. Multiple designs and textures - wood grain, steel/metal, stone, sand fabric and abstract design. For requirements extend time use with excellent design, we offer belbien EX as our best solution.

Areas Where belbien Is Applied:  
Eaves soffits, window frames, and pillars  
Product No:  
EW-1500 (discontinued)

## belbien EX

belbien EX  
reliable solution for "function and appearance"

For Outdoor and Indoor Walls  
Fade-free belbien EX can be used for walls exposed to direct sunlight. The beauty of belbien is long lasting.

For Elevators  
belbien EX resists stains and scratches made by keys, bicycles, and carts.

For Medical Facilities  
belbien EX resists alcohol, ammonia water, toluene, and ethyl acetate.

## belbien EX

### Design

Wood, Metal, Stone and Abstract Patterns

The belbien EX Series is designed on the precondition of use in areas where weather resistance and stain resistance are required. High functionality is added to the splendid texture of belbien EX.

### Weatherability Test Result

No significant change after 5,000 hours  
(ex. Standard grade - up to 1,500 hours)

### Stain Resistant Test

Easier to remove stains compare to standard grade (inhouse test method).

belbien EX sheets are weather-resistant and stain-resistant

## WHITE BOARD SHEET

Adding value to the atmosphere.

Applying on a wall, furniture, or partition can make a whiteboard !

### Fire rated

Legally prescribed fire rated materials.  
(metal substrate only)

### Various Application

Applicable on two-dimensional curved surfaces, which enables many types of projects.

### Color Selection

Available in colors and wood grain, fitting in variety of scenes.

Whiteboard Sheet with "Wood Grain"

Only generated by belbien technology
